Mrs DeMuth  
City of Ankeny

Dear Mrs. DeMuth:

Thank you for your assistance in helping us put together a safe and hopefully successful bow hunting city hunt in Deer Creek. I would like to add two additional hunters to the list of allowed hunters for this special allowance.

- a. Rob Kramme
- b. Mike Higgins

As mentioned before the following are several key point related to this request:

1. The season dates for hunting are between October 1<sup>st</sup> and January 10th.
2. During this period all hunting regulations will be followed.
3. The area for hunting will be east of the Roger Spar farm, north to 102<sup>nd</sup>, and south to the tree farm.
4. Permits for regular bow season and special permits for does only will be used from the DNR.
5. Hunters will have a copy of the permit or letter allowing them to hunt on their person.
6. Hunters allowed are:
  - a. Clark Kramme
  - b. Bob Kramme
  - c. Bruce Christensen
  - d. Reed Ryan
  - e. Two alternates

I am requesting that you put this issue on the council agenda for your permission and review.

Thank you for your consideration. Please do not hesitate to call me at 1-515-371-7478 if you need any further information.

Sincerely,

Clark Kramme
